SPECIAL INSTRUCTIONS

Please read carefully before proceeding with your request.

Be certain to get the doors you want. Follow these **6 Steps** when requesting your price quote:

1. Enter the **Quantity** of doors needed. Use a separate line for each item.
2. Select the **Skin** you want: **Veneer and Face Cut**, or **Engineered Door Facing**, from Table 1 below.
Note: The "natural wood" veneer you select may be available in several **Face Cuts** which can change the look of the wood grain.
3. Specify the **Size** of each door: **Width, Height and Thickness**.
4. Choose the **Core** from the options provided in Table 2 below.
5. Describe any special **Cut-Out(s)** and/or **Machining** requirements.
6. **FAX THIS COMPLETED FORM TO OUR OFFICE AT 866-706-8761.**

More information about **veneers, face cuts, sizes, cores, standard door specifications, and machining options** can be found on our website: www.doorstopny.com. For additional assistance, call our sales office at **(888) DOOR-N 24**.
