

# How does DoorStop help you serve your customers...better?

# If we can make it here...

Q : How do I know I've found the right door for my needs?

A: DoorStop's friendly and expert sales staff reviews every order and verifies you've got the right door

Q: Do I have to wait 4 - 6 weeks for my doors?

A: No! DoorStop offers on-time delivery to your jobsite within days, not months.

Q: Ever been left holding-the-bag- having to trim ill-fitting doors on site?

A: Not with DoorStop. Our doors are custom sized not merely trimmed from standard sizes. So, no problems, no excuses, no extra work or cost.

Q: Has sanding through veneer ever caused you grief?

A: DoorStop's high quality veneers are thick enough to stand up to your most stringent finishing requirements.

Q : How do I know I've selected the best hardware for my job?

A: DoorStop stocks a wide variety of the best hardware and walks you through the ins-and-outs of door preparation and installation.

Stop searching everywhere for the **RIGHT DOOR.**

It's waiting for you at DoorStop now. We're experts at having the right door custom-crafted for you, no matter what the job or how tight the schedule. Make DoorStop a part of your planning process from the very beginning. We'll add value to your entire project, while avoiding costly mistakes and delays. DoorStop is experienced at filling even the most demanding orders.

DoorStop doors are:

- Component manufactured locally.
- Custom-sized and made to order.
- Constructed from the finest materials.
- Built to your exact specifications.
- Fire rated with any veneer.
- Available with special features including:

- Architectural veneers
- Solid hardwood edges
- FSC Certified

We carry the largest inventory of ready-to-go paint grade and stain grade doors. And, we never size a door by "ripping" or cutting down a stock item. Every custom-sized door is built to spec. So for the right door, in any size, make DoorStop your first stop.

The right doors for you are **RIGHT HERE.**

DoorStop, conveniently located in New York City, is easily accessible from any of the five boroughs, Long Island, Westchester, Connecticut and New Jersey. And our close relationships with all of our vendors mean we can quickly advise you on the product options that best meet your needs. We treat a single-door order with the same attention to detail and meticulous care as we do our larger projects. For us, every door counts!

DoorStop is a key area distributor of:

- Flush wood doors – either slabs, fully-machined, or "pre-hung" units.
- Molded panel, stile-and-rail, and carved face doors.
- Offered with a natural agri-fiber cores
- Formaldehyde-free
- Hollow metal doors with steel knocked-down or welded frames.
- Top-quality finish hardware, including hinges, locks, knobs and levers.

### We're taking the LEED in Green Door Development

Today, sustainable development is not only an important environmental consideration, but it is also one of the most effective ways to reduce building operating costs. DoorStop will maximize your LEED points because its "GREEN" products are:

- FSC Certified for wood content under both Pure and Mixed product classifications
- Manufactured within a 500-mile radius
- Offered with a natural agri-fiber cores
- Formaldehyde-free
- No added urea formaldehyde
- Zero/ Low VOC's-low-emitting material
- Made with preconsumer recycled content

Fast turnaround and on-time delivery, **RIGHT NOW.**

When doors are late, everybody loses. That's why we deliver our customized, finished doors within days, instead of the industry average of a month or more.

We are door experts and do the hard work for you.

- We come to your job-site.
- We ask the right questions.
- We help you decide on the ideal door solution.
- We guide you through the best, most cost-effective options.
- We personally expedite your order so it stays on schedule.

And fast turnaround means just that.

- Our Door-N-24 Program can get your doors ready within a day.
- Larger orders can be completed in only 7 days or less.
- No job is too large or too small.
- Orders are efficiently scheduled for production in the shortest possible timeframe.
- Dedicated delivery means dependable, safe, and on-time arrival of our products to your project.

Most importantly, because our doors are shipped factory-direct, our customers get products faster. We deliver finished orders daily — anywhere in the metro area.
